Scoil Íosagáin

Mobile Phone and Electronic Games Policy

Introductory Statement:

This policy was drawn up in response to technological advances, which have seen a significant increase in hand held electronic ‘gadgets’ amongst the school population over recent years.

Rationale:

- iPods, mobile phones, Game Boys, PSP’s, MP3’s etc. are intrusive and distracting in a school environment
- Strategies must be put in place to reduce the intrusiveness of unauthorised technology in a school situation
- Some electronic devices may be harmful due to frequent use
- Mobile phones may be used to conduct bullying campaigns

Relationship to School Ethos:

The use of mobile phones and other electronic games contravenes the provision of a safe and secure school environment and is not conducive to learning - a provision which is central to the mission statement and ethos of Scoil Íosagáin.

Aims:

- To ensure a “gadget free” school environment
- To lessen intrusions on and distractions to children’s learning

Internal School Procedures:

The following are the guidelines for mobile phone/electronic games usage in the school;

- Children are not allowed to use mobile phones/electronic games during school hours
- Pupils are not allowed to bring mobile phones or electronic games into school.
- Children who need to contact home during school hours may do so through the school secretary using the school landline phone
- All electronic gadgets are banned, even during after school activities
- Any pupil who brings a mobile phone or electronic game to school risks having it confiscated and not returned until the school day is over. On second and subsequent occasions, the phone or gadget is kept by the class teacher or in the principal’s office to be collected by a parent or guardian.
- The school accepts no responsibility for replacing lost, stolen or damaged mobile phones both in school and travelling to and from school.
- Staff have access to the school landline if urgent calls need to be made to parents

- Classroom supervision is usually organised if a class teacher has to contact other professionals or outside agencies in relation to a particular child
- Staff personal calls are normally confined to break times
- Staff are permitted mobile phone usage only in cases of emergency

Roles and Responsibilities:

All staffs share in the co-ordination and implementation of this policy.
