**Supervision
Policy**

Supervision Policy

Introduction

This policy was updated in October 2023 following the Child Safeguarding Risk Assessment carried out by the Board of Management and Staff of Scoil Íosagáin in order to update existing supervision procedures in the school. It applies to all staff and children during school hours, break times, and on all school related activities.

Rationale

The rules for National Schools 121(4) and 124(1) and Section 23(2) of the Education Act oblige teachers to take all reasonable precautions to ensure the safety of pupils and to participate in supervising pupils during school time and during all school related activities.

Legislation such as the Health Safety and Welfare at Work Act and Court judgments have placed a "duty of care" and accountability on schools that must be underpinned by a policy covering all possible eventualities.

Relationship to the Characteristic Ethos of the School

This policy is in keeping with the school ethos of providing a safe and secure environment for learning for all pupils and the wider school community.

Aims and Objectives

- To develop a framework that effectively ensures, as far as is practicable, the safety of children on arrival into school in the mornings, during break times, while at play on the yard or while engaged in school related activities
- To observe and monitor behavioural patterns outside the confines of the classroom
- To contribute to effective school management and comply with relevant legislation.

School Procedures

- As it is mandatory for teachers to participate in the supervision scheme as per DES circular 33/2013, all teachers are assigned supervision duties.
- A Rota for supervision is drawn up by a post holder in consultation with Principal/Staff and this Rota is displayed in the staff room and school office.
- It is the policy of the school to supervise pupils within the school building from 9.00am and at all times during regular lunch breaks i.e. 11.00am to 11.10am and 12.30pm to 1.00pm. The school opens its doors to receive pupils at 9.00am. Official supervision is provided by teachers on a rota basis from 9.00am to 9.15am (1 teacher outside for reception of pupils and 1 teacher inside the school) Parents are requested not to drop pupils to school before 9.00am as they will not be supervised nor permitted into the school building. Teacher on morning duty supervises all classrooms as pupils arrive. Pupils remain seated in their own classroom and prepare books for beginning of class. Teachers assume a duty of care in their own classrooms at 9.15am. Classes commence each day at 9.20am. Classes will end each day at 2.00pm (Infants) and 3.00pm (All other classes). The Board of Management informs parents that the school does not accept responsibility for pupils on school premises outside of these specified times.
- Break time and Lunch break – Pupils remain seated in their classroom for 5 minutes while eating their lunch. Supervising teacher/class teacher allows pupils out to yard on a class by class basis.
- Rules of the school yard are reviewed and revised continually and communicated to children regularly (See Code of Behaviour)
- If parents indicate a worry about a particular child on the yard all teachers are informed of the concern so that the particular concerns can be addressed satisfactorily.
- Teacher on yard duty ensures all classes return to their classroom promptly after the bell/Teacher/SNA signals the end of break.
- Teachers taking a course day can swap supervision duties with a willing colleague. If a teacher is unexpectedly absent a volunteer colleague will assume his/her duties in a reciprocal arrangement
- 2 Special Needs Assistants are on duty during lunch breaks. While these SNAs provide individual supervision for designated Special Needs children, they can act in an observing and reporting capacity, bringing instances of misbehaviour to the attention of the teacher on yard duty and/or class teacher. The schools anti-bullying/code of behaviour policies cover incidents of bullying/misbehaviour.

- Children with injuries/complaints are dealt with directly by the teacher and/or SNA on yard duty. Children are not permitted to report directly to the staff room if there is an incident on the yard
- Use of Toilets by Pupils in yard at break/lunch time.
When a child requests to go indoors to use the toilet at break/lunch they must seek permission from the teacher on duty.

Note: Pupils use their own classroom toilets and enter the school through the allocated entry/exit door for their own classroom. Pupils must inform the supervising teacher on return to the yard.

- Otherwise, access to the school from the yard is not permitted by pupils during break times.
- First Aid boxes are kept in the office and the Accident/Incident Report book is kept in the Staffroom as a matter of procedure (See First Aid Policy). All accidents where there is injury involved should be noted in the Incident Report Book by the teacher/SNA on supervision duty or by the relevant class teacher. One Accident/Incident Report book covers all children in the school. The supervising teacher carries the Accident/Incident Report book with them during supervision. Where teachers suspect that a child is unwell parents are alerted, usually by phone.
- List of Medical requirements/allergies of relevant pupils is displayed in the staffroom.
- At dismissal time in the evening, teachers supervise pupils walking from their classroom to the bus waiting area. Pupils are regularly reminded to walk in an orderly fashion to the bus car park and when approaching the school buses. No supervision is provided outside the school gate.
- If children remain uncollected after 3.00pm, the school will ensure that a duty of care is provided, the parent will be contacted and a staff member will remain with the child until a parent/guardian collects their child.
- At all other times each teacher is responsible for the supervision of all children under their care.
- Unless unavoidable, teachers should never leave their classroom unsupervised. If a teacher has to unavoidably leave the class during class time, the door is left open, the teacher next door is notified of the brief absence and supervises until he/she returns.
- Children who are withdrawn from their mainstream classroom for Support Teaching should be collected at the classroom door by the relevant teacher.

Special Provisions

- a) Out of school activities such as games, swimming, school tours etc. back up provisions are put in place to ensure adequate levels of supervision are put in place. The level of supervision is usually one adult per 15 children with individual teachers in charge of specific groups. The level of supervision required is assessed prior to the activity.
- b) Changing for Games/ PE/ Swimming/Christmas Concert/Halloween Hooley/Matches:
Pupils will be expected to dress and undress themselves for all the above. Where assistance is needed with changing for games/ PE/swimming/ Christmas concert/Halloween Hooley/matches etc this will be done in the communal areas and with the consent of parents. - c) Accidents/emergencies occurring away from school grounds (school matches, school tours etc):
 - In the event of a serious injury, the teacher will first contact the emergency services and then the school. A teacher, assigned by rota (person on first yard duty/morning duty) or member of the SEN team, will then be sent to the venue to accompany the remaining children back to school.
 - The school will notify parents of the injured child.
 - The teacher present will accompany the injured child to the hospital.
 - In the meantime, if the teacher present has to leave the venue before the designated teacher arrives, the GAA coach/SNA/accompanying teacher will supervise the remaining children in the interim.

- In so far as is possible, 2 adults will attend all matches.

While every effort will be made to adhere to best practice as agreed and outlined above, in the event of an emergency where this is not possible or practicable a full record of the incident should be made and reported to principal and parents.

- d) If a teacher is called from his/her classroom to meet with a parent, another member of staff may be released to cover. However, it is school policy to request parents to make appointments outside of class time.
- e) On wet days children remain in their classes under the normal supervision Rota. Teachers ensure pupils remain seated and appropriate activities are arranged.
- f) The school Health and Safety Statement lists all hazards on the school yard and supervisors are accordingly briefed.

- h) Parents may request that their children be allowed leave during the school day due to health commitments/appointments. Notes informing teachers of leave during the day is requested via Aladdin Connect App/by Email/ in homework journal unless an emergency.

Late arrival/early leaving of pupils will be recorded by Class Teacher/School Secretary on the Aladdin Connect Attendance Records.
